

BILL CHERREY AWARD 2017

This Award is named after one of the Heidelberg Theatre Company's long serving past Presidents, the late Bill Cherrey. It is given each year to an individual member of HTC as recognition of their outstanding contribution and service to the Company.

This year's recipient is a very active and well known member of the Company, having been involved with nearly every production since 2011. He is not a stage performer and would be considered by many as a quiet achiever.

From set construction to set décor, from sign writing to brick walls, his painting skills are not just restricted to sets and décor, as he is also handy with the brush to touch up the occasional maintenance job. As a bit of an all-rounder he willingly assists where ever a pair of extra hands are required, and always with a positive drive to ensure that the best can be achieved from everybody.

When a member contributes their talents and skills willingly and enthusiastically to the Company we are all the richer for their valuable contribution, as they add to the spirit that drives the Heidelberg Theatre Company.

I would now like to call on June Cherrey to come to the stage and present this year's Bill Cherrey Award to Mal Cother.
